Protecting your investment

It's important that we protect you and your money by ensuring that any withdrawal requests we receive for your investment are genuine and any money we pay out is received by you and nobody else. For this reason, we may request evidence to prove that you are the owner of the bank account nominated for withdrawal payments before we send your payment.

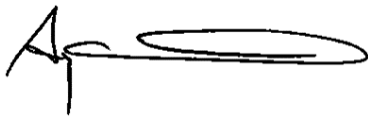

You can ensure the payment of any withdrawals is not delayed by providing us with this evidence before you need to request a withdrawal. Once we've received the information we'll make a note of it on your records, so you only need to give it to us once (unless you request payment to a different account).

You won't be able to reverse the transfer itself but you will be able to close your account or transfer it to the original or another provider, provided they agree to accept it. It will be your responsibility to contact the other provider to make the transfer arrangements.

Please see our privacy notice, which is available on our website at platform.quilter.com/privacy.

If you have any questions, please contact your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8.30am - 5.30pm, Monday to Friday.

Yours sincerely

UK Operations Director
